

BMWCCACT News

December 2018

Dear {Contact_First_Name},

Please join me in welcoming Chris Barton (R1200R), Andrew Rohrsheim (F800GSA) and Mick Cook (R1150RT) to the Club and be first to say hello and make them welcome at your next Club event. Unless you are Chris, Andrew or Mick reading this...then you can be the first to say hello.

The Club has had a successful year, welcoming 29 new members, holding 31 Club events, hosting the BMW Clubs Australia National Motorrad Rally 2018 and in parallel raffling a BMW G310GS motorcycle raising and donating \$4800 to the Prostate Cancer Foundation Australia and from the Clubs 37th Kosciuszko Rally donating \$1000 to the Royal Flying Doctor Service.

The final Club event was the Awards and Christmas lunch at the Barracks Cafe Lanyon Homestead (above) and a great buffet BBQ enjoyed by all those there with bonus black snake eating (or trying to) a frog viewing.

The Club has two awards and it was no surprise that from a field of runner's up Martin Robertson (left) took home the Upside Down Award for a most impressive - if unplanned & unwanted - dismount during the Off Centre Rally to Mt Dare SA. Martin is well on his way to a full recovery and his K75xc will soon be back in the Brindabella's.

The Club Person of the Year went to Bob Ward (left of right) as the member who registered and attended the most 'Club Events'.

Congratulations to both

recipients. Why not see what you can do in 2019?

The final 2018 Club News would not be complete without me thanking the Committee for their support and contribution throughout the year and to you the members for supporting the Club.

Club events do not occur randomly and there is nothing more dispiriting than organising an event than have no one or only a small number attend. You know what to do if you are not seeing a ride to or event you would like to see.

The Committee will be taking a well earned break, I write this from Ballina NSW, and will get back to club work in January 2019. VP Ron will keep the water flowing from Icon eyrie control.

There is still plenty of riding to be had so keep an eye on [What's On](#) and make that New Years commitment to ride more and be active in the Club. Member's are encouraged to put up ideas and lead or support rides through the Committee or via the Club Facebook page.

Wishing you all a safe, merry and riding Christmas and all the best for 2019

Garry Smee

President & Chair BMWCA
President@bmwmccact.org.au

Christmas came early. Solar on the roof, a new knee (but which one) or a RnineT Urban G/S. Hey, you lot in the garage move over.
