## March 2019...It's AGM Time

Dear {Contact\_First\_Name},

Please join me in welcoming Alex Leitch (K100RS+) and Peter Roughley (K1600GTLE) to the Club and ask our current members to reach out the hand of friendship on their first ride or event.

Thank you to all of you that have chosen to renew you membership with the Club and with the gratitude of the Treasurer to all those that paid up before 28 February 2029 and end of Club financial year. For those that have chosen not to this will be one of the last emails from the Club before your membership is suspended and archived. We wish you well for the future and will welcome you back in the future.

The [2019 AGM of the BMWCCACT Inc. \(Club Event\)](#) is on Sunday 31 March at the Canberra Irish Club. This is a formal Club Meeting and a requirement of our continued incorporation. The current committee will stand down and nomination form available on the website for 2019 committee election or why not volunteer to help the committee and Club through 2019. As an enticement, your Club is sponsoring lunchtime pizzas and drink along with a free raffle for all those in the room on the day. Please use the event RSVP option to make the catering that little bit easier.

At the end of summer, 4 members made the ride to Blue Waterholes and enjoyed a refreshing swim in Cave Creek and I do mean refreshing. The first weekend of autumn had 3 Club members ride to [Johnno's Corner Store](#) for breakfast and well recommended if you find yourself riding that way. The return leg saw us go via Goulburn, Grabben Gullen and Breadalbane before refreshments at the Bushranger Hotel Collector and a brisk ride down the Federal Highway and home. My apologies to Chai & Damon's understanding partners for taking them for the better part of a day and 330km 'breakky' ride.

Last weekend saw 6 (Mike Kelly R100RS, Frank Millwood R80ST, Alex Leitch K100RS, Sue Morgan R65, Dave Morgan R100S and me R100RS) start and 4 members (Sue, Dave, Frank & me) join the BMWTCNSW at the Friendly inn Kangaroo Valley for lunch and on to Grandpa's Shed Barrengarry for a Classic Bike ride and awards for those on concessional registration with younger bikes welcome. The NSW Club had some 30 attend and hope to make this a regular event. Pictures on the website.

I will close by thanking:

- the current Committee for their support, direction and steady hand through 2018,
- the members who came along to an event helping make them a success,
- Treasurer Bob's understanding and support to Garry's let's do the National Motorrad Rally 2018 + G310 Raffle after BMWCCQ short notice cancellation. The raffle raised \$4800 for the PCFA. Thought comes cheap, the book-work takes forever, and
- Graeme Jones and non-member son Mitchell Smee assistance at last year's Kosciuszko Rally, a small but effective force of 3 that with rallyists help raised \$1000 for the RFDS.

Enjoy your ride

Garry Smee
