

April 2020 - AGM Results

Dear {Contact_First_Name},

Welcome to the 2020 Club year. The COVID-19 pandemic is fundamentally changing how we work, socialise and play and Club [What's On](#) event page is not immune. For the near future, the Committee's ability to plan and conduct rides and events will be restricted by government decree. For those who like me enjoy rallying the Karuah River Rally in February may well be the last for some time.

This is also proving a challenge for workplaces, employment and shopping and in the future we will talk about and look back on the toilet paper shortage of 2020 and wonder why. Purchase limits on alcohol and of yesterday supply of ammunition have a more serious aspect. The enforced isolation may provide you the opportunity to support online business, undertake that delayed motorbike maintenance task or get that 'special' deal on a new BMW. BMW Motorrad production has stopped through to April 2020.

The Club does continue to function, albeit in the 'cloud'. As a 2020 member, the Committee looks forward to your active involvement in the Club as a participant or suggesting ideas. The Clubs (virtual) Annual General Meeting was held as a poll over the weekend 28-29 March 2020. With single nominations for the Committee, Public Officer Kim Tito returning officer duties were simplified and results:

1. Acceptance of the 2019 AGM Minutes, majority yes.
2. Acceptance of the 2019-20 Financial Statement, all yes.
3. Committee:

Those members that voted have been entered in the mystery raffle and winners notified once I have a list of who voted (requires some Wild Apricot back end support).

The Club has a website member blog and Facebook Group for you to maintain your contact with the Club and we all look forward to a return to the new 'normal' in the not too distant future.

Enjoy your ride
