

BMW MCCACT News

October 2020

Dear {Contact_First_Name},

Please join me in welcoming Michael Crawford (G650GS) to the Club and be the first to welcome him on his first and ride with the Club.

The Club's 39th *Kosciuszko Rally* over the weekend 9-11 October under a COVID-19 plan with registrations capped at 60 persons under NSW National Park limitations. I thought it was a great weekend, with many favourable comments passed on by others to our good turnout of Club members and on the Club Facebook page.

The rally is a success not only due to its location but with Club members support over the weekend checking registrations, selling raffle tickets, cooking, cleaning and the all-important assistance to rallyists endeavouring to use a pod coffee machine. Why not book/clear your calendar for the [40th Kosciuszko Rally, BMW MCCACT \(Club Event\)](#).

Saturday night's gourmet bratwurst rolls topped with sauerkraut, salad and cheese followed by steamed pudding with custard dessert followed on Sunday by egg n bacon rolls with espresso coffee are increasingly popular. Whilst the sound of the generator shattered the mountain ambiance there is nothing like the aroma of fresh coffee to draw someone out of his or her tent. There will be pictures on the Club website and if you have some to share, then email them to me.

I'd also like to thank Michael at [Rolfe Classic | BMW Motorrad](#) for their support in providing the raffle prize of a BMW F and VP Mike and [FSW Shoes](#) for their online/in store new shoe voucher. When you are next looking for that new mot accessory or a pair of social, outdoor and work footwear check them out.

You should not need a reason to rally and in particular, your Club rally but through registrations, food sales and raffle it has raised over \$1000 to be donated to the RFDS. Due to a production issue, we did not have badges at the rally and RFDS donation is subject to those and posting them out in the next month.

COVID-19 is still with us however permitted group numbers are increasing but still require your registration to events for tracing purposes. This includes the Club's 2020 Awards & Christmas lunch at the Hotel Queanbeyan and details on V. So why not make a booking for you and you partner for lunch and help celebrate Club members achievements in Club the Year (points based) and Upside Down Award (confidential nominations to the President now open).

As part of the lunch, the Club is raffling a pair of BMW GS Rallye Gloves \$140rrp in your size. The raffle is limited to 1 tickets, so bring along your gold coins or see and pay a Committee member beforehand. Money raised goes to the R

Your Club turns 40 in 2021 and the Committee are planning a number of celebratory events including a Club logo. To your support the Committee has agreed to subsidise the \$10 embroidery cost for clothing purchased in store at Mona Workwear or you can take your own garment in and pay \$16 with Club reimbursing you \$10 on a single item. See [BMW MCCACT Regalia](#) for details.

Finally, it is your Club and what you get out of it depends on what you are prepared to put in to it. We look forward to

at an event.

Enjoy your ride
